

§ 958.56

7 CFR Ch. IX (1-1-08 Edition)

§ 958.56 Safeguards.

INSPECTION

(a) The committee, with the approval of the Secretary, may prescribe adequate safeguards to prevent onions shipped,

(1) Pursuant to § 958.53 or § 958.54; or

(2) To commercial dehydrators for processing by such dehydrators into dehydrated onion products,

from entering channels of trade for other than the purpose authorized therefor.

(b) The committee, with the approval of the Secretary, may also prescribe rules and regulations governing the issuance, and the contents, of Certificates of Privilege if such certificates are prescribed as safeguards by the committee. Such safeguards may include requirements that:

(1) Handlers shall first file applications with the committee to ship such onions;

(2) Handlers shall obtain inspection provided by § 958.60, or pay the pro rata share of expenses provided by § 958.42, or both, in connection with such onions; and

(3) Handlers shall obtain Certificates of Privilege from the committee prior to effecting the particular onion shipment.

(c) The committee may rescind any Certificate of Privilege, or refuse to issue any Certificate of Privilege to any handler if proof is obtained that onions shipped by him for the purposes stated in the Certificate of Privilege were handled contrary to the provisions of this part.

(d) The Secretary shall have the right to modify, change, alter, or rescind any safeguards prescribed and any certificates issued by the committee pursuant to the provisions of this section.

(e) The committee shall make reports to the Secretary, as requested, showing the number of applications for such certificates, the quantity of onions covered by such applications, the number of such applications denied and certificates granted, the quantity of onions handled under duly issued certificates, and such other information as may be requested.

§ 958.60 Inspection and certification.

(a) During any period in which shipments of onions are regulated pursuant to this subpart, no handler shall handle onions unless such onions are inspected by an authorized representative of the Federal-State Inspection Service, or such other inspection service as the Secretary shall designate and are covered by a valid inspection certificate, except when relieved from such requirements pursuant to §§ 958.53, 958.54, or both.

(b) Regarding, resorting, or repacking any lot of onions shall invalidate prior inspection certificates insofar as the requirements of this section are concerned. No handler shall ship onions after they have been regarded, resorted, repacked or in any other way further prepared for market, unless such onions are inspected by an authorized representative of the Federal-State Inspection Service, or such other inspection service as the Secretary shall designate.

(c) Upon recommendation of the committee, and approval of the Secretary, all onions that are required to be inspected and certified in accordance with this section, shall be identified by appropriate seals, stamps, tags, or other identification to be furnished by the committee and affixed to the containers by the handler under the direction and supervision of the Federal-State, or Federal inspector, or the committee. Master containers may bear the identification instead of the individual containers within said master container.

(d) Insofar as the requirements of this section are concerned, the length of time for which an inspection certificate is valid may be established by the committee with the approval of the Secretary.

(e) When onions are inspected in accordance with the requirements of this section, a copy of each inspection certificate issued shall be made available to the committee by the inspection service.
